Re: FOIA Request NLRB-2023-000218

Dear Mr. James B. Sherk (America First Policy Institute):

This is in response to your request, under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, received on October 27, 2022, in which you seek copies of all petitions and dismissal letters, withdrawal letters, and decisions and orders in RC and RD cases where an election did not occur because of a contract bar for fiscal year 2021. You assumed financial responsibility for the processing of your request in the amount of \$37.00.

We acknowledged your request on October 27, 2022.

Pursuant to the FOIA, searches were conducted using the Agency's custom document search tool (Integrated Search, or "iSearch,") for any Fiscal Year 2021 RD and RC cases containing petitions, dismissal letters, withdrawal letters, or other disposition records that contain the terms "contract bar" or "window period." These searches located 123 pages of responsive, releasable records, which are attached.

As you were previously advised, please note that our casehandling system does not track "contract bar" as a field in our database. The attached records are the results of keyword searches, which may not have captured the entire universe of representation cases involving the contract bar issue. As such, the records reflect the best available information that can be readily compiled about cases where contract bar was at issue as of the date the search queries were ran.

After a review, I have determined that portions of the attached records are exempt from disclosure under Exemptions 6 and 7(C) of the FOIA (5 U.S.C. § 552(b)(6) and (b)(7)(C)). Specifically, redactions have been made to protect the privacy interests of an individual named in the records. These redactions were made pursuant to FOIA Exemption 6, which protects personally identifiable information, the release of which would constitute a clearly unwarranted invasion of personal privacy; and FOIA Exemption 7(C), which protects records or information compiled for law enforcement purposes, the

release of which could reasonably be expected to constitute an unwarranted invasion of personal privacy. 5 U.S.C. § 552(b)(6) and (b)(7)(C).

In cases where a public hearing occurred, the responsive records are being released in full.

Please note that the petition in Case No. 07-RD-273218 was withdrawn as the result of a contract bar issue. However, the case file also indicates that after the case was closed, the union disclaimed interest in the unit. Additionally, note that the petition filed in Case No. 04-RC-275622 lacks a case number or docketing date; this is the only version of the petition in the case file.

For the purpose of assessing fees, we have placed you in Category C, as a representative of the news media, in that you qualify as a person “actively gathering news for an entity that is organized and operated to publish or broadcast news to the public.” NLRB Rules and Regulations, 29 C.F.R. § 102.117(d)(1)(vii). Accordingly, there is no charge assessed for this request.

You may contact Teresita Sanabria, the FOIA Specialist, who processed your request, at (202) 273-4000 or by email at Teresita.Sanabria@nrlb.gov, as well as the Agency’s FOIA Public Liaison, for any further assistance and/or to discuss any aspect of your request. The FOIA Public Liaison, in addition to the FOIA Specialist, can further explain responsive and releasable agency records, suggest agency offices that may have responsive records, and/or discuss how to narrow the scope of a request in order to minimize fees and processing times.
